

Seen on a board outside a church

SMILE and I did. 😊

While driving in Pennsylvania a family caught up to an Amish carriage. The owner of the carriage obviously had a sense of humour because attached to the back of the carriage was a hand printed sign:

“Energy efficient vehicle: runs on oats and grass.
CAUTION Do not step in exhaust.”

To be continued in the next ...

Greetings and Salutations

November 2014

My apologies for there being no SHARE in October. I spent a good part of the month rattling through the Centre on the Ghan. When I got back it was too late to get it published. If you want an enjoyable train trip take the Ghan from Adelaide to Darwin and you can break the journey at Alice and Katherine. Make sure you go in the cooler months May–September.

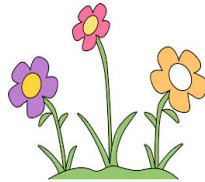

Samaritan's Purse

Again this year Oxley/Darry Uniting Church has participated in Samaritan's Purse Christmas Child. We took 167 boxes over to Yeronga and over \$500. Another successful year. Many thanks to all who participated.

Garden Lovers

In September Garden Lovers had a very successful bus trip to the Laidley Spring Festival. It was most enjoyable.

This month we had a meeting but unfortunately the Speaker got his days muddled up and didn't turn up. We had a good meeting anyway. At the next meeting, in November, we have our Christmas breakup.

English Classes

In spite of asking people to help with these classes no one has volunteered. We have about 10 ladies who come to these classes but seldom have that many every day. The Vietnamese ladies are delightful souls and come from all over. Some from Inala, Mount Ommaney, Darra

and one lady comes from Banyo. It is a social outing for them as well as a lesson. They are learning and having fun too. We have lots of laughs. Many of the ladies are in their 70s. We had one lady visiting from Perth and she was 90. If a couple of ladies would like to help I will help them and give them some training to make them confident. There is no need to be a trained teacher.

Congratulations and good wishes are extended to Christine Coupland and Matt Fender who have recently announced their engagement. I am sure you are all pleased for them and wish them well.

We also congratulate and send good wishes to Daniel Hodgson and Brooke Dalziel, and Matthew Nix and Sarah Green.

Recently I went to a choral concert at Central Uniting Church, Ipswich. The choir was the Ipswich Orpheus Choir. It was an excellent concert and we heard some amazing solos as well.
